

Clean Up

Ahhh, the not so pleasant part of a big get together. But it can be made easier if you ask people to help, they usually will. Clean up is usually easier right after eating. Clear the table and do the dishes right away. If you have a dishwasher load it and run it. You can run more than once if you have lots of dishes to be done. Clean the table to ready for games or coffee/drinks and dessert, etc.

With lots of people helping too it will get done quicker, be behind you so you can relax and enjoy the rest of the time together.
